

LT. PADRUIG G.L. MACINTOSH

On Aug. 26, 2005, a young man finally fulfilled a lifelong dream. On this date, at 15 Wing Mosse Jaw, Sk, the Nato Flight Training Program was honored to award Lt. Padruig G.L. MacIntosh his WINGS in the Canadian Air Force. Son, during long, stressful hours of studies, simulators, flying and exams, you never once thought of giving up. The word "QUIT" was never in your vocabulary.

Padruig's next assignment will be a Flight Instructor at 15 Wing Moose Jaw before he moves on to the CF 18 Hornet Fighter Jet Program at 4 Wing Cold Lake, Alberta, in approx. 18 months.

Congratulations from Dad, Mom, Laura and your Beautiful Fiancee Lynn Calleja and rest of families and friends.

"Safe Flying" Love, Dad
